Updated 1-10-2023

**Call these numbers if a newly effective member is not showing in the portal. There may be a small delay after the 1st of each month while the plans relay the information to us so we can update the Portal. If you need to submit a referral while the member is not on the portal, you may click the Blue "Members not showing in portal" button in the Eligibility tab of our portal, or call our Customer Service Line, option 4 for Authorizations (949) 750-2058. See the Portal User Manual for more information.*
